CHINESE CHARACTER MATERIALS ORDER FORM

Teachers Binder Set — Includes nine Character curriculum booklets for teacher references, one set of Character cards. Four year Curriculum of Four Series of 9 Character qualities per year (Please specify series number)

Lesson Plan — Includes lesson plans for teacher references, to be used as extra-curricular activities for the children on top of Teacher Binder Set activities.

Student Handbook — Includes activities and worksheets for children to be used in conjunction with the character qualities in the Teacher Binder Sets.

Character Card Set — Each set of nine cards comes in a protective plastic cover. When pieced together the set forms a large picture on the back.

Mini Poster Set — These 8 1/2" x 11" posters are great visual aids for telling stories and are very suitable for framing. Corresponds to the qualities in each Series

Songbook — This book contains the sheet music for Character songs from each of the nine booklets in the binder set.

Compact Disk — 9 Character Songs on each CD for each Series. Sing your favorite Character songs with vocal and piano, or just piano accompaniment.

Training DVD — This VCD or DVD, contains all nine Character qualities and teaches how to present the character songs, memory work, and stories to children in an enjoyable and exciting way. In Mandarin 3 series of 9 Character qualities.

Character First! English Curriculum -TESOL-Targets Grades 3-6 who have had little exposure to the English language. Using a total language approach, giving attention to listening, speaking, reading, & writing. Teacher's manual, student workbook, six stickers, vocabulary cards, & CD with pronunciations.

Achieving True Success — a full colour, 64 page book designed as a tool to help family members develop character together.

Pocket Guide — Pocket sized guide containing the name and definition of each of the 49 character Qualities.

Adult & Family Character Bulletin Set — a comprehensive study of each of the 49 character qualities, in a binder divided into 7 leadership perspectives. You will find practical ways to apply these character qualities into your family, and in the Business Workplace. Secondary Schools applications.
