## Power for Effective Law Enforcement

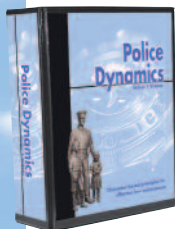

Officers with good character are essential for building community trust. The Police Dynamics Seminar will show you how to deal effectively with the many challenges facing today's law enforcement agencies.

### Series One Seminar Topics:

**Coactivity**      **Authority**      **Strongholds**  
**Character**      **Restoration**      **Relationships**

Filled with real-life scenarios, on-the-job illustrations, and dynamic concepts that can strengthen any police force, these sessions will show you how to shift the focus of police work from randomly handling calls to effectively solving problems.

*Police Dynamics Series 1 DVD Set (3 DVDs) \$595 (Item: 2475)*

### Series Two Seminar Topics:

**Discretion**      **Compliance**  
**Jurisdiction**      **Expectations**

Sheriff Ray Nash presents four more dynamics that will change your understanding of policing and greatly benefit your department!

*Police Dynamics Series 2 DVD Set (2 DVDs) \$395 (Item: 2477)*

### Seminar Workbook

This workbook, designed for Series 1 and 2, will help each officer remember the principles taught during the Police Dynamics seminar.

*Police Dynamics Workbook \$5 (Item: 1337)*

Sheriff Ray Nash, president and founder of the Police Dynamics Institute, presents this series on dynamic concepts that determine the success of law enforcement agencies and individual officers.
