

# Character Recognition Worksheet

The goal of character recognition is to encourage each individual to reach his or her full potential by praising positive character. With thoughtful and thorough preparation, you can ensure this is a memorable and positive experience. The appreciation and encouragement individuals feel for having their character praised more than compensates for the extra time and energy expended to make this a special event.

## **Name**

Use the individual's given name rather than a nickname.

---

## **Anniversary Date**

## **Years of Service**

---

## **Introduction**

Include appropriate information about family, hobbies, special interests, and meaning of name.

---

---

---

---

---

---

---

---

---

---

---
