Effective Leadership Seminar Series

August 25–26, 2009
Oklahoma City

Seminar Overview

Do you possess the ability to effectively inspire and lead others? Today's leaders need more than technical expertise and mental aptitude to succeed. The Effective Leadership Seminar Series will help you strengthen relationships, improve communication, and build teamwork in your organization.

Effective Leadership Topics:

- **Leading With Character**—Understand the significance of character-based leadership
- **Understanding Perspectives**—Discover ways to build harmony within a diverse team
- **Servant Leadership**—Learn how to lead with influence instead of abusing power
- **Communicating With Sincerity**—Identify the mistakes that undermine good communication
- **Overcoming Anger**—Understand what causes anger and how to resolve it
- **Encouraging Morale**—Learn how to build morale during difficult situations

The seminar is divided into six sessions so that trainers can present the material in multiple classes. Read a full course description when you visit www.characterfirst.com/training, and read testimonies from those who have attended past seminars.
